Enlightened Therapies

INFRABED® BIOBlanket

By using the InfraBed with BioBlanket we multiply and improve energetic transfer from just Conduction and Radiation, by Convection and Reflection.

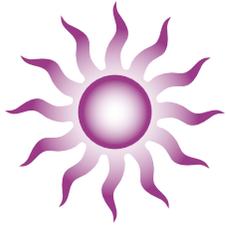

ET proudly announces a unique suite of therapy options, together in one approach, a break-through package wherein your new Thermal InfraBed works with its own included Energy BioBlanket for an innovative, integrated, improved and powerful Multi-Layered Crystal Thermal and Bio-Energy Synergy System we call **Activation Therapy.**

the "ET B&B" Bed and Blanket therapy option of InfraBed and BioBlanket presents a new opportunity to combine InfraBed Thermal Therapy, and BioBlanket Energetic Reflection.

## the "ET B&B" Bed & Blanket Therapy Option
