After the two year warranty period your ENAR device may be sent to ET for assessment, service, repair, and upgrade or trade-in replacement options.

## YOUR FEEDBACK

What are you hoping to treat?

How did you hear about ET?

# ENAR ACCESSORIES

## ENAR Extension Handle

**\$175**

The ENAR Extension Handle is ideal for self-treating the back, and other hard to reach areas. Simply open the arms into their lock out position, clip the ENAR into place and start treating around/over.

## ENAR Through-Hair Brush

**\$120 or \$175**

Through-hair Brush (or Comb \$175) ensures excellent skin contact when working directly on the scalp or other areas where there may be abundant hair. Good for cranial stim, for stroke, and to treat animals.

## ENAR Conductives Sock/Knee/Glove +

**\$90**

ENAR Silver Conductive Electrode Garments are good for treating the Feet, Legs, Knees, Arms and Hands. A pad, or pair of, provides the circuit. Conductivity is optimised by moistening these silver interlaced electrode garments. NB: 2 in 1 Dual versions avail.

## ENAR Y-Point Probes

**\$120 or \$175**

**Small Y-probe** is invaluable for easily treating around the toes, fingers, face, and through-hair. **Large Y-Probe** (\$175) electrode balls work at any angle, and extend your reach. Ideal for large muscles, neck and three spinal pathways.

## ENAR Mushroom Electrodes

**\$210**

ENAR Bell mushroom probes are hand-held twin extension electrodes for massage style remote access. Treat areas large, small or long. Patients can deliver treatment to areas for strong deep massage, or transverse separated therapy.

## ENAR ET Acu-Point Probe

**\$175**

The ET Acu-Point Probe is an extension electrode for treating keypoints and difficult access areas. Fully functional for Dose mode, and for personal dental. Acupuncturists use ENAR with this Acu-Point Probe to precisely treat meridians.

## ENAR Adhesive Pads

**\$30**

Adhesive Pads are reusable. Supplied in a pack of 8 Small pads, 4 Large pads, 2 X-Large or 2 Butterfly pairs. Useful in applying to any areas requiring extended ENAR therapy. Their stickiness may be revived with a drop of water, for a while.

## ENAR 2-Way Leads

**\$30**

ENAR 2-Way heavy-duty Leads are useful for applying ongoing treatment to any areas where you can 'set ENAR and forget'. With an ENAR in your pocket, enjoy a treatment while moving. New = Conductive Garments range incl glove/sock/sleeve.

## ENAR 4-Way Leads

**\$85**

The 4-Way Leads are able to apply treatment to an even more dispersed area and are useful in energetic techniques where the goal is to lift overall energy. You can enjoy a lengthy treatment while going about other activities.

## The Energy Bio-Blanket

**FROM \$390**

Energy Bio-Blankets have multi layers to protect and reflect and to help you quickly restore and balance your bodily energies. Two therapeutic sides, Yin and Yang. The Energy Bio-Blanket truly supports rest and recovery. **King Double** (240x200cm) \$690 **King Single** (120x200cm) \$390
